Stick-and-Stand Mats

Specialty Mats • Indoor

Stick-and-Stand mats are adhesive-backed mats designed to clearly mark floors and provide customers with a safe place to stand while waiting in lines.

- **Provides Clear Direction** – Universal “stop sign” shape with shoe prints marks where customers should stand; mats can be placed at safe intervals in virtually any configuration.
- **Stays in Place** – Adhesive backing keeps the mat flat and in place, even with heavy cart and buggy traffic.
- **Hassle Free** – Mats can be left in place during daily floor cleaning; floor scrubbers, mops, and brooms will pass right over them without causing damage.
- **Won’t Leave Residue** – Stick-and-Stand mats are less likely to leave a sticky residue than floor decals.
- **Odor Resistant** – Anti-microbially treated for protection from odors.
- **Slip Resistant** – Low-profile high-traction surface provides additional traction and slip resistance.
- Will perform for up to 3 to 4 months under normal use.
