5.	Extract	Low Speed	1-2 Min.		
6.	Shake Out	Drum Turning	1 Min.		
7.	Extract	Max 250G	3-5 Min.		

Additional Recommendations

1. Mats do not require drying, however this can be done if necessary
2. Lay mats flat following removal from the washer; allow mats to cool before rolling
3. The mats can also be washed together with other standard nylon mats
